Dear Parents and Carers,

I am delighted to share how pleased we were with the wonderful attendance at our Reception Open Evening. It was truly lovely to meet so many families and to see such enthusiasm from parents, carers, and children alike. The evening had a warm atmosphere, and it was a pleasure to talk with you all in attendance, answering your questions, and showcasing the vibrant learning environment our school offers.

Next week, we would like to invite parents to our SEND Coffee Morning on Thursday at 9:00am, hosted by Mrs. Melia. This will be a relaxed opportunity to enjoy a coffee, meet other parents, and share any feedback or ideas you may have. We look forward to seeing you there!

Also next week, our EYFS children will be enjoying a festive treat with a special performance of The Clumsiest Elf Show in the school hall. We're excited to bring some Christmas magic to our youngest learners!

Next Friday will be an Own Clothes Day - children are invited to come to school in their own clothes and bring along a chocolate donation. All donations will help raise money for our school funds – we thank you in advance for your continued support.

As we approach the Christmas season, I want to take a moment to reflect on what has been a busy, productive, and joyful term. Our pupils have worked incredibly hard, showing resilience, curiosity, and kindness in equal measure. From classroom achievements to extracurricular successes, they continue to make us proud every day.

This time of year also brings wonderful opportunities for our school community to come together. The festive performances, charity drives, and class celebrations remind us of the importance of generosity and connection. Thank you to all parents and carers for your continued support—your encouragement makes a tremendous difference.

As we head into the final weeks of term, I encourage everyone to take time to appreciate the small moments: the laughter, the learning, and the sense of belonging that make our school such a special place.

Have a lovely weekend,

Mr Gould

Diary Dates

Autumn Term 2

~~03.11.2025~~ School opens

~~07.11.2025~~ Wear pink for peace

~~13.11.2025 9.00~~ UKS2 (Y5 and Y6) Coffee morning – parents invited in for a coffee and a chat to share feedback

~~14.11.2025~~ Children in Need – Break the rules day – More information to follow

~~20.11.2025~~ Tempest individual photographs

~~26.11.2025 17.00~~ Reception open evening for September 2026 starters

~~27.11.2025~~ Flu immunisations Nursery – Year 6

~~04.12.2025 9.00~~ SEND Coffee morning - parents invited in for a coffee and a chat to share feedback

~~04.12.2025 PM~~ EYFS The Clumsiest Elf Panto is coming to school In school time

~~05.12.2025~~ Own clothes day – bring a chocolate donation

~~08.12.2025~~ Year 4 & Year 6 Chester Zoo trip

~~10.12.2025 14.00~~ EYFS dress rehearsal

~~11.12.2025 14.00~~ EYFS Performance 1

~~12.12.2025 9.30~~ EYFS Performance 2

~~15.12.2025 9.30~~ KS1 Dress Rehearsal

~~15.12.2025 14.00~~ KS2 Dress Rehearsal

~~16.12.2025 9.30~~ KS1 Performance 1

~~16.12.2025 15.30~~ KS1 Performance 2

~~17.12.2025 9.30~~ KS2 Performance 1

~~17.12.2025 15.30~~ KS2 Performance 2

~~18.12.2025~~ School Christmas Dinner

~~18.12.2025~~ EYFS Pajama day - bring £2 (to raise money to go towards the EYFS Panto)

~~19.12.2025~~ Toy day/ Party day/ Jumper day

~~19.12.2025 15.30~~ Parent's drop in to children's classrooms

~~19.12.2025~~ School closes for Christmas

Spring Term 1

~~09.01.2026~~ Reception - Year 6 Parr Hall Pantomime Beauty and the Beast (Details to follow)

Addition/ changes to the dates

Special Mentions

Nursery - Hallie Sorton for absolutely fantastic letter formation. You are making lovely progress with your writing Hallie. Well Done.

Excellent work Hallie!

Reception - Jacob Highfield for fantastic enthusiasm in Maths.

Year 1 - Connie Glasgow for singing and dancing beautifully during our Christmas Play practise!

Year 2 - Ada Daniels for working so hard in all lessons this week and trying super hard!!

Year 3 - Alfie Hill for his amazing effort in his writing this week!

Year 4 - Finley Rigby-Worthington for his great effort in maths this week.

Year 5 - Alexander Jones for his excellent behaviour!

Year 6 – Emily Hill for always showing a great attitude to learning!

PE Star - Finley Rigby-Worthington for his incredible performance in PE.

Early Years News

Nursery

Following on from learning about nocturnal animals we have enjoyed reading the story Bear Snores On. We have talked about how bears and some other animals prepare for hibernation in the Autumn and the children have been following instructions in order to draw their own bears.

In the story, some of the woodland animals gather for a tea party in the bears cave to keep warm and the children suggested what they would take to the tea party.

In maths we have been subitising amounts 1-3 by identifying how many bears were in each house as well as playing pairs games using cards with images of amounts 1-3. The children enjoyed dropping Autumn leaves onto the image of a pond before subitising (visually identifying) how many had landed on the pond.

On Friday we enjoyed a nice warm cup of hot chocolate and enjoyed our own little tea party cosy and warm like the animals in the story Bear Snores On.

What a lovely week, well done Nursery.

Mrs Wallace, Miss Taylor and Mrs Bromwell

Reception

This week we have started our nativity preparation and WOW the children have knocked my socks off with how quickly they have remembered where to sit and the actions for our songs, our narrators have been practising saying their lines super loudly.

We have also been enjoying the frosty weather and looking at how the trees and ground changes when it's frosty. We've been creating our own autumn, frosty trees.

In English we have writing about Sam the squirrel from our new story the leaf thief. We received a message with a stick and some nuts saying 'I am sad. I have lost my leaf. It is red.' We came up with lots of ideas about who could have left it.

In Maths we have been learning to subitise to 5 and beyond and the children have creating their own stampolines (from the numberblocks). We created so many different shapes with 5 unifix cubes and printed them into the paint.

We have had a focus on handwriting and getting our lines straight, diagonal and curvy to help with writing our sounds in phonics.

In phonics we are learning more and more sounds and Mrs Fairhurst has been so impressed with our progress so far.

In construction we have had some amazing woodland animals delivered into our small world area and we have been creating homes for them.

Please keep practising your words at home narrators, not long to go now before our Christmas performance.

Thank you for a lovely week Reception

Mrs Fairhurst and Miss Turnbull

Key Stage 1 News

Year 1

In Maths, we have been using number lines to count forwards and backwards. We also used them to help us add a one-digit number to another one-digit number. Towards the end of the week, we explored subtraction and learned how a number gets smaller when we take away. The children used pictorial representations to subtract numbers below 10.

In Writing, we took part in a variety of dictation activities, using our phonics knowledge to write simple sentences.

In Science, we discussed the signs of Autumn and what happens to trees during this season. The children used adjectives and nouns to create descriptive lists based on an autumn picture.

In RE, we revisited the characters in the Nativity story. We used lolly sticks, paper, and string to

create our own Baby Jesus in a manger—and the children absolutely loved this activity!

We have been practising our Christmas Play in the hall this week, and it is coming together beautifully. We are very excited to show you what we have been working on!

In Computing and Geography, we used our knowledge of directions to guide our Bee-Bot around a square. We used vocabulary such as North, East, South and West.

Miss Kerrigan Mrs Stokes and Mr McHarrie

Year 2

In English this week, we have continued to plan and write our circular narrative making sure we've included lots of expanded noun phrases, alliteration and questions.

In Maths, we have been looking at fact families by using a part-part whole models to help us write subtraction sentences.

We have done a lot of practice for the Christmas performance at the minute which is fabulous! All the children are doing amazingly in remembering their lines for the songs and the few actions we have put with them so far.

We have been doing more of our reading lessons learning all about different animals for our non-fiction text which the children enjoy. We have learned some weird and wonderful things about many different animals!

The class have also had art day with Mrs Jones this week which everyone always enjoys! They focused on painting with colour mixing, texture brush strokes and using watercolours and acrylics. They also focused on artists such as Klimt and Van Gogh.

We have also done some My Happy Mind where we learnt all about different parts of our brain and how each part helps us grow, learn and keep safe.

Homework to be due in Friday 5th December

English: Punctuation practice

Maths: Fact Families

Spelling

Mrs Hogan & Mrs Floyd

Key Stage 2 News

Year 3

Year 3's Maths work this week focused on adding and subtracting from 3 digit numbers. We have looked at how we can use our number bonds to help us when working out sums mentally, and used number lines and mental calculations to add and subtract ones, tens and hundreds.

In English this week we have begun writing our retelling of the story 'Fox'. We have been planning out our ideas before writing each paragraph by thinking of key points in the story, using exciting adjectives, verbs and adverbs to describe the different characters and their actions.

In MFL we have been learning the names of different colours in Spanish. We acted out our own firework display and then decorated a firework picture, naming the different colours used in Spanish.

For our RE topic we have been learning about Islam. This week we learnt about the Prophet Muhammed and his importance as a role model for Muslims. We listened to the story of Prophet Muhammed's life and discussed how Allah chose him as a messenger because of how he was honest, trustworthy and loyal.

Our new Computing topic is all about stop-frame animation. We started our learning by discussing what an animation is and how they work. We then created our own little animation by creating a flip book to show an object moving.

We learnt about Mary Anning in our Science lesson. We discovered that she was a famous palaeontologist from the 1800s, who excavated fossils such as a Pterodactyl, Plesiosaurus and Ichthyosaurus. We were shocked to learn that she wasn't given credit for her discoveries because she was female! However, we were glad to learn that she is now recognised as the mother of palaeontology with her discoveries rightly accredited to her!

Homework – To be completed by next Friday:

Spelling practise (spellings in planners)

1 x Reading Plus

2 x Learning by Questions

Have a lovely weekend!

Miss Johnson, Mrs Charles and Mrs Worthington

Year 4

This week in maths, we have been looking at different ways to add and subtract particularly mental methods. We have looked at how we can partition numbers and use place value to add and subtract mentally when we do not have an exchange. We saw how this method can be more efficient than writing out columns.

In Writing, we have been looking at prepositions and using them in noun phrases to give more detail about where nouns are. We have then moved onto our analysis section, we began by looking at an example text of an outsider narrative. We thought about how does the author show us how the bird was feeling and what phrases and words the author has used to show this rather than just saying how the bird felt. We then picked illustrations and thought about what Leaf, the polar bear, might see, hear and feel. We then used these collected words and phrases to write a setting description based on that illustration. We then spent a lesson looking at pronouns and what are they? What do they do? Before looking at the example text and looking at the structure and language features so that we can use them in ours.

In History, we have been looking at sources and thinking about what we could work out about the ancient Greeks. We used images from the British Museum and discussed and worked out what they might tell us. We discussed how historians use primary sources to discuss and discover all kinds of

things about the past such as dress, past times, fashions, jewellery. We worked out that the Greeks believed in religion, there must of been a lot of wars, there was music and ceremonies.

In Music, we have been looking at a silent movie by Buster Keaton called the The Spinning House and we have began to think about composing music on our ukeleles to go with the acting on the screen.

Homework

Reading Plus x 2

TT Rockstars x 5 minutes

Reading in diaries x 3

Mrs Shone and Mrs Jones

Year 5

This week in Year 5, we have been looking at rearranging a sum to find an answer in the most logical way. We also found the difference by counting on.

In writing, we have been looking a letters from parents to their children during the war. We will be writing a letter from a father to his son based on the book Farther.

In RE, we learnt about how Muslims take guidance from the Qur'an. We also learnt that they celebrate the Night of Power during Ramadan - a night where they believe angels come down to the earth to give blessings. We made little angels to remember this.

For our history topic, we learnt where the Vikings came from and mapped out their travels. We then looked at the reasons why they came to Britain.

In Spanish, we wrote a description of a city using adjectives and place names.

Miss Ratcliffe and Mrs Dennis

Year 6

In English, the children have been preparing to write a diary entry from the perspective of Rose Blanche. As part of their work, they have been practising how to use colons, semicolons, and dashes to link related main clauses effectively. They have also been crafting sentences that include figurative language to enrich their writing. In addition, the children have been developing their empathy skills by exploring Rose's thoughts and considering the questions she might be seeking answers to.

In Maths, the children have been continuing to reason with angles, applying all the key facts required for KS2. They have been using their knowledge to solve problems, make connections, and explain their thinking with increasing confidence. They have also begun forming algebraic equations to help them solve problems involving missing angles.

In Science, we were incredibly lucky to welcome a real-life chemist into school, who worked with the children on a range of exciting investigations. These included exploring indicators using red cabbage, testing acids and alkalis, observing colour changes, and making careful predictions before comparing

them with real results. The visit brought the subject to life and inspired the children to think like true scientists. The children were able to develop their disciplinary skills by observing chemical changes, recording results systematically, drawing conclusions from evidence, and using scientific vocabulary to explain what they have discovered.

In Personal Development, we explored the 'Attitude of Gratitude' unit from the My Happy Mind programme. The children took part in a range of games and discussions about the things they feel grateful for, and they really enjoyed sharing their ideas.

In Outdoor Education, the children completed their carefully designed hedgehog habitats as part of their study of local ecosystems. This hands-on project helped children in understanding animal behaviour, shelter requirements, and habitat sustainability.

Next, we will be installing wildlife cameras in the forest area. These will allow pupils to carry out real fieldwork by monitoring visiting species and observing how their habitat-building efforts support local wildlife. This scientific tracking will give children valuable insight into data collection, environmental impact, and the importance of conservation in our school's natural spaces.

In Spelling, we focused on words ending in -ancy, -ance, and -ant, practising how to identify and use these endings correctly.

Mr Gould and Mrs Blackledge

Homework:

RP x 2

LBQ

Spellings

PE News

Key Stage 1 pupils develop confidence striking with a foot through fun target games, focusing on accuracy, control, and coordination. Activities encourage them to aim at cones, zones, or goals, building spatial awareness and teamwork while celebrating small successes. These playful challenges lay the foundation for more advanced skills. In Key Stage 2, children progress to structured skill sessions, refining techniques in passing, dribbling, and striking across different sports. They apply these skills in intra-school competitions, fostering resilience, cooperation, and healthy competition.

Mr Cooney

Lunch Menu w/c 01.12.2025
Week 2

SCHOOL MEALS

Available daily as an alternative - Filled jacket potatoes served with vegetables, a dessert and drink. An alternative dessert from a selection of seasonal fresh fruit, yoghurt, scone and cheese & biscuits
Available daily - Unlimited fresh salad and wholemeal bread, drinking water or fresh milk.

Week One

Meat Free Monday

Vegetarian Sausage Roll
Herby Diced Potatoes and Baked Beans

Vanilla Ice Cream

Tuesday

V Pork Sausage with Yorkshire Pudding Creamed Potatoes, served with Carrots and Peas

Fresh Fruit Segments or Yoghurt

Wednesday

V Beef Burger in a Bun served with Herby Diced Potato and Fresh Side Salad

Vegetables Fajitas served with Savoury Rice and Sweetcorn.

V Orange Jelly and Fruit

Thursday

V BBQ Chicken served with Baked Wedged Potatoes, and Sweetcorn

Homemade Blueberry Cake/Muffin

Friday

Crumb Coated Chicken served with Chunky Chipped Potatoes, Garden Peas, or Baked Beans

Oven Baked Fish Fingers
Served with Chunky Chipped Potatoes, Peas, or Baked Beans

Homemade Cooks Choice Biscuit

Week Two

Meat Free Monday

Margarita Pizza Rounds
Served with Baked Jacket Wedges and Sweetcorn

Doughnut

Tuesday

V Roast Turkey with Creamed Potato, Roast Potato, Carrot and Broccoli

Fresh Fruit Salad or Yoghurt

Wednesday

V Spaghetti Bolognese
Served with Garden Peas

Garlic and Herb Chicken Pitta served with Vegetable Rice and Broccoli.

Arctic or Chocolate Ice Cream

Thursday

V Brunch Lunch
(Sausage, Beans, Hash Brown, Omelette)

V Raspberry Jelly and Fruit

Friday

Crumb Coated Chicken Served with Chunky Chipped Potatoes, Peas or Baked Beans

Oven baked Battered Salmon
served with Chunky Chipped Potatoes, Peas or Baked Beans

Homemade Cooks Choice Biscuit

Week Three

Meat Free Monday

Tomato and Mascarpone Pasta Bake
Served with Seasonal Vegetables

Strawberry Ice Cream

Tuesday

V Chicken Katsu Curry served with Rice

Fresh Fruit Segments or Yoghurt

Wednesday

V Selection of Pizza (pepperoni/cheese)
Served with Jacket Wedges, Salad

Sweet and Sour Chicken/Quorn Served with Rice/Noodle
