Warrington Primary Academy Trust have plans to build a new two form entry secondary school linked to Bruche Primary School, creating an all-through school for ages 2 to 16 years.

The new secondary school will include state of the art teaching spaces and sport facilities, including an all-purpose Multi-Use Games Area (MUGA) which will also be available for community use.

Before we submit a planning application, we want to hear your views and offer the chance to provide feedback.

The consultation will give you the opportunity to see the proposed plans so far and speak to members of the Design Team.
